The Cadet Protection Policy will be strictly enforced. The appearance of impropriety is justification for dismissal by the commander. Any member disrupting the encampment will be counseled and may be dismissed by the commander. Members dismissed from the encampment are responsible for transportation from the activity. Parents may incur additional expenses if a cadet is dismissed from the encampment.

8. **WEBSITE.** The official encampment website is located on the Florida Wing website [here](#). The website is the official source for all encampment publications and should be checked regularly for updates and the latest encampment information and news. The website also contains important information for first-time cadets, staff, and parents.

9. **PREPARATION.** All encampment participants will experience long, demanding, and very active days. Cadets can expect to be active about 15 hours a day. To be successful at the encampment, prior preparation is critical. Arrive at the encampment with the correct equipment, well-rested, and hydrated. Proper hydration will help prevent many common encampment injuries and serve to keep you healthy during a demanding week. Cadets should study available encampment materials before encampment so that the information is fresh, and cramming does not result.

10. **TRANSPORTATION.** Transportation to and from the encampment site is the member's responsibility.

a. Encampment Express. There is no Encampment Express to Camp Blanding.

b. Airport shuttle. Florida Wing will provide a limited Airport Shuttle to and from Jacksonville International Airport (JAX). All flight arrangements need to be made before 05 July 2022. Members desiring to arrive or depart from any other airport will need approval from the FLWG/CC.

- **Arrivals** – Members can plan to arrive in Jacksonville no earlier than 1300 on 07 Jul 2022 and no later than 1100 on 09 Jul 2022. Early arrivals are subject to the additional fees.

c. Corporate Vehicles. Senior staff is encouraged to bring a CAP van to the encampment. Any van being brought to the encampment shall be registered on the encampment website vehicle registration form. Vans **will** be turned into the encampment transportation officer upon arrival at the encampment. All vans must be fueled (topped off) before turning the vehicle in. Vans will be returned to the driver on the night before departure topped off. Fuel costs for travel to and from the encampment **will be** reimbursed. Please review the instructions for reimbursement [here](#).

11. **EQUIPMENT.** The encampment participant packing list is included as an attachment to this order. Participants will pack only what is on the packing list. *Any* equipment brought that is not listed on the equipment list may be confiscated and considered contraband (contraband will be returned to the cadet during out-processing). It is recommended that cadets pack their gear so that it may be transported easily and without assistance. Because of the facilities used for this encampment, members will not have drawers, shelves, or furniture to unpack clothing into. As a result, suitcases, footlockers, or other forms of luggage that can be "lived" out of are essential. Duffel bags are *not* recommended due to the difficulty in accessing items stored inside.
12. **VISITATION.** Visitors are not authorized at the encampment without written permission (maybe via e-mail) from the ENC/CC. The encampment takes place on a military installation and due to DOD security requirements and for the safety and security of all CAP personnel, unscheduled or uncoordinated visitation is prohibited. This restriction applies to CAP members not assigned to the encampment staff as well as the family and friends of participants. Family, friends, and fellow CAP members are invited to the graduation ceremony at 1100 on 16 Jul 2022, however, are asked not to arrive until 1000 or later. Approved visitors will check in at the encampment command post upon arrival for a site briefing and visitor badge (*note: graduation ceremony attendees will not need to check in with the encampment command post on arrival*).
13. **GRADUATION.** The graduation ceremony will commence at 1100 on 16 Jul 2022 at Camp Blanding Parade Field. Guests will be directed to the parking area and graduation location upon arrival. Encampment activities will still be taking place and the extravehicular traffic creates a safety hazard for all personnel moving on-site, so all guests are asked to plan their arrival for after 1000 Eastern Standard Time.
