

Wing Commander's Direction and Guidance

Adherence with Core Values

- No Drama – Respect and Integrity
- “that’s the way we’ve always done it” – Excellence and Service
- No “Single Point of Failure” – Excellence
- Have Fun! – Respect and Service

Goals – Alignment with CAP's Strategic Plan

1. Strengthen, improve and increase our operational capabilities in support of our federal, state, and local partners in the State of Florida.
 - 1.1 – Develop and implement a ground team program that meets all State of Florida requirements.
 - 1.2 – Train and certify small unmanned aerial systems (sUAS) operators throughout the Wing to support an ever-increasing need for this type of capability.
 - 1.3 – Ensure aircraft and resources are positioned in strategic locations throughout the Wing in a ready state to respond to incidents in the shortest time possible.
 - 1.4 – Develop and implement a training program that ensures our membership has opportunities to train and maintain certification year-round. (FLESA)
 - 1.5 – Train and certify teams of personnel in Disaster Relief functions throughout the Wing.

Goals – Alignment with CAP's Strategic Plan

2. Bolster the aerospace program by partnering with aerospace and STEM related industries in the State of Florida.

2.1 – Partner with NASA, 45th Space Wing, SpaceX, and Kennedy Space Center by supporting their missions and offering assistance as applicable.

2.2 – Seek sponsorship from Walt Disney Imagineering and the Walt Disney World Resort for our members to attend their various STEM-focused workshops.

2.3 – Promote Teacher Orientation Program (TOP) Flights through the Wing.

2.4 – Boost wing-wide participation in the CyberPatriot Program.

Goals – Alignment with CAP's Strategic Plan

3. Post COVID-19 pandemic recruitment and retention.

3.1– Reach out to members who did not renew their membership due to the pandemic.

3.2 – Promote large activities such as our conference and encampments via all available media.

3.3 – Task the Wing Cadet Advisory Council with seeking feedback from our cadet corps with regards to activities or events the members want to see implemented.

3.4 – Revise, restructure and modernize cadet activities such as the Florida Leadership Academy (FLA) and the Ultimate Cadet Challenge (UCC).

3.5 – Showcase diversity in our membership with a robust diversity and inclusion program.

Goals – Alignment with CAP's Strategic Plan

4. Invest in our most important resource, our membership, via training, mentorship and modernization.

4.1 – Increase our Information Technology staff to take full advantage of the Microsoft Suite, Social Media and associated applications.

4.2 – Ensure all Wing Staff is proficient and compliant with current Information technology policies and procedures.

4.3 – Explore the prospect of offering Microsoft Suite training at no expense to the membership.

4.4 – Partner with state or local educational institutions to offer our members no cost lessons on leadership, management, administration and technology applications.
